Inclusion
(2018)

"The third edition of the Fintech Awards Luxembourg took place during the 2018 KPMG Plage, helping to strengthen the Fintech ecosystem here in Luxembourg. Startups from around the world had an opportunity to meet finance giants and make new client and funding connections in the Grand Duchy."

Pascal Denis
Head of Advisory, KPMG

reach in Europe

"At the Fintech Awards in 2018, we were awed by the strength of the Fintech firms that applied and those selected for the finals. We received a record number of applications and it was difficult to narrow down the field. The increasing prominence of the Fintech Awards internationally highlights Luxembourg as an attractive centre for Fintech opportunities."

Nasir Zubairi
CEO of the LHoFT
